Mr. J. Patrick Coyne

Executive Secretary, President's

Foreign Intelligence Advisory Board

Room 297

Executive Office Building

Dear Pat:

25X1

Attached are the following papers:

- a. A paper entitled "Popular Attitudes in North Vietnam and Communist China Towards the Vietnamese War," in response to item two of the list enclosed with Russ Ash's letter of November 2nd.
- b. A paper entitled "Popular Attitudes and Morale in Communist China." This paper was prepared in the DD/P area and was begun in response to General Taylor's comments at the briefing on October 29th. The CIA participants understood at the time that this was what General Taylor had in mind. The November 2nd letter made this request more specific and also asked that North Vietnam be included, and we think that item "a" above is responsive. On the other hand, General Taylor and Ambassador Murphy, and perhaps other members of the Board, might be interested in the assessment of attitudes and morale in China, not directly related to the war.
